Dear Parents and Carers,
Extra-Curricular and After-School Clubs

At Bryn Awel Primary School, we are committed to providing pupils with a range of exciting opportunities to develop new skills, interests and friendships through extra-curricular activities.

As a small school with only four teachers, and with only two members of teaching staff contracted to work beyond the school day, it has become increasingly challenging to offer a full programme of after-school clubs. In addition, attendance at after-school clubs has been consistently low, making them difficult to sustain.

To ensure that we can continue to provide enriching experiences for our pupils, we have decided to offer a range of extra-curricular clubs during lunchtime sessions. These clubs will enable more pupils to participate while making the best use of staff availability. This term, we will be offering:

- Pokémon Club
- STEM Robotics Club
- Art Club

Further information on how pupils can sign up for these activities will be shared shortly.

After-School Football Club

We are pleased to announce that we will also be offering an after-school football club delivered by **Football First**.

The club will begin on **Tuesday 22nd September** and will run for **5 weeks**.

As this club is being run by an external provider, there will be a **fee of £16 per pupil for the 5-week block**. Payment must be made **in full before the club begins**.

Please note:

- The club is open to **Class 3 and Class 4 pupils only**.
- The club will start on **Tuesday 22nd September**.
- Places are **limited** and will be allocated on a **first-come, first-served basis**.
- A place cannot be guaranteed until full payment has been received.

- All pupils attending the club **must be collected promptly by an agreed adult at the end of each session.**
- By signing up for the club, pupils are expected to attend all five sessions wherever possible. As places are limited, we ask parents to commit to regular attendance so that places are not taken away from other pupils who would be able to attend the full programme.

Follow this link to sign your child up to football, we let you know via Dojo if you have been successful. [Football First After School Club – Fill in form](#)

We hope that these arrangements will allow us to continue to offer high-quality extra-curricular opportunities while ensuring they remain sustainable for our school.

Kind regards,
Catherine Davies
